2. Reason

The Company comprehensively considers future business developments, earnings, the management environment, as well as the strengthening of its management foundations, and positions the supply of stable dividends to its shareholders as a top-priority management task. Moreover, with our policy to maintain a 50% payout ratio, we have set as our basic approach to continue to grow our profit this year to distribute dividends that are at least at the same amount as the previous year and continue to increase.

Based on the above policy and after comprehensively considering our performance and other factors, the yearend dividend will be ¥42.00 per share. By doing so, we expect that annual dividends per share for the fiscal year ended January 31, 2025, will be ¥82 per share.
